I have been a resident of our city for 22 years and a business owner for 16, proud to live and work in Costa Mesa. Married 21 years, three children. My Commitment: support and work closely with the police department to ensure safe neighborhoods; conduct city business openly and honestly with input from all segments of the community; revamp the budget, restore fiscal health; create revenues; cut waste and implement accountability; create a business friendly environment; work closely with school officials to provide a safe environment at our schools, support education to help children to become responsible citizens; preserve, protect and enhance our quality of life, protecting our open spaces; implement the smart use of our land; and find ways to provide new fields for our youth sports.

I am the candidate who cares about the needs of our community.
